

Court Grants Permanent Injunction for Infringement of Releana® LLC's U.S. Patent No. 7,605,122 HCG Formulations for Facilitating Weight Loss and Body Contouring

Braselton, Georgia PRNewswire/ -- Releana, LLC today announced that the United States District Court for the Northern District of Georgia granted Releana LLC's request for a **permanent injunction prohibiting** defendants Deirdre Sue Stephens, Sarah Tuntland Alberg dba Trileana, BeleanMd, Global Weight Loss Services et. al and any individual or entity acting on any Defendant's behalf from infringing Releana LLC's (U.S. Patent No. 7605122 "Human Chorionic Gonadotropin (HCG) Formulations for Facilitating Weight Loss and Body Contouring") by making, importing, using, selling, or offering for sale in the United States products under the names "Releana," "BeLeanMd," and "Trileana"

Furthermore, after a review of the record in this case, the Court found that Plaintiff Releana, LLC was entitled to a final judgment on its claim for direct patent infringement under 35 U.S.C. § 271(a) and was awarded damages and attorney fees.

Finally, Releana, LLC has the ability to supply all healthcare practitioners the patented Releana® formula for their patients and will work hard to ensure that there is a smooth transition in place to meet the needs of all healthcare practitioners who previously purchased products from the defendants.
